MONTH PROMISES TO BE GAYEST OF SEASON

The month of February promises more in the way of gaiety than any other season of the year with the possible exception of the holiday fortnight. With a smart wedding, the Moore-Johndrow nuptials, inaugurating the series of events there are numerous functions scheduled to provide diversion and enjoyment to the most ardent pleasure devotees. The Country club calendar is particularly interesting, the committee having arranged several "quite different" affairs which always have a charm one of the most delightful events of the taps being a Colonial dance on Washington's birthday. The costume affair is not the only function which is interesting the attention of society folk but the Valentine event, a bridge dinner, on the fourteenth is another affair being anticipated with more than a little pleasure. On Wednesday evening an informal dance will no doubt also attract a smart gathering.

Rare Beauty for Those Who Dance and Use Derwillo

Says Verna Haworth That Beautiful Actress and Wonderful Dancer

VERNA HAWORTH

New York: "Ball room or stage dancing is a wonderful aid to beauty," says that famous dancer, Verna Haworth. The exertion in dancing naturally causes one to perspire, this process cleanses the pores in nature's way thus creating healthy skin tissue. But in my dancing I have always had difficulty in finding a beautifier which would not come off or be affected by perspiration. I tried everything recommended with success until I used derwillo. I found this toilet preparation just what I had been looking for. It stays on until I wash it off, and when properly applied its use cannot be detected. I prefer it to face powders or other beautifiers. This is the way I use it. First, I use Liska cream to cleanse the skin, soften it and prevent chapping, then I use derwillo. The moment it is applied the wonderful effect is astonishing. This combination makes my skin soft and beautiful and I have found it to be absolutely harmless even though my skin is exceptionally sensitive." Mae Edna Wilder, the well known beauty specialist, says: "Dancing causes one to perspire more or less, but this brings no terror or inconvenience to the girl or woman who uses the great beautifier derwillo. It leaves the skin cool, refreshing and radiantly beautiful. Ask any of the million users. Many of them have discarded the old forms of beautifiers and face powders and now use derwillo exclusively. No other beautifier has become so popular in so short a time and consequently it has not been met above the ordinary. If you have not tried derwillo do so today and you will be surprised at the instant results it gives. There is

nothing like it for dark, sallow, rough skin, tan, freckles, and other facial blemishes." Miss Wilder, though well past the time of life when most complexion fades, is famous for the marvelous coloring of her skin. She has the cheeks and skin of a girl in her teens and says she owes it to the constant use of derwillo and Liska cream. She also recommends this combination for wrinkles, large pores, and a flabby skin. Many prominent actresses are using derwillo and Liska cream. Among the more prominent are Dorothy Dalton, Verna Haworth, Louise Glaum, Mitzel Louise Huff, Ruth Roland, Viola Dana and Anna Q. Nilsson. Derwillo and Liska cream are guaranteed absolutely harmless to the most delicate skin and will not stimulate or produce a growth of hair. The next time you go to a dance, party or theater use derwillo and note the favorable comments of your friends. Try it today on your face, neck, shoulders, hands and arms; you are sure to be delighted.

NOTE: The manager of a prominent toilet counter said: "The fact that derwillo and Liska cream have such an enormous sale convinces me that they are beautifiers of unusual merit." They can be obtained at all up-to-date toilet counters of department stores and drugists everywhere. Do not accept substitutes as you are sure to be disappointed. Derwillo has many counterfeits but you know counterfeits are never as good as the genuine article. Refuse to accept substitutes. Insist on derwillo and Liska cream or nothing.
